

SUMMER VILLAGE OF BONDISS & ATHABASCA COUNTY

Intermunicipal Development Plan | FEBRUARY 2021 Newsletter

IDP PROJECT UPDATE

Throughout 2020, the Summer Village of Bondiss and Athabasca County have been working with Municipal Planning Services (MPS) to prepare a **Intermunicipal Development Plan (IDP)**. An **IDP** is a high-level statutory land use plan for areas of mutual interest of two or more neighbouring municipalities that share common boundaries.

The purpose of this **Newsletter** is to provide residents with a project update and information about how to learn more about the draft **IDP** and provide feedback.

DRAFT IDP & ENGAGEMENT MATERIALS ON WEBSITE

The draft IDP and supporting public engagement materials are now available on the Summer Village's website for your review:

- Video recording of a presentation that provides an overview of the draft IDP (on YouTube)
- Summary of the key topics addressed in the IDP (PDF version of the presentation)
- Draft Intermunicipal Development Plan
- Survey/feedback form to submit comments and questions

Summer Village residents are encouraged to watch the YouTube video presentation, review the draft **IDP**, and complete the survey/feedback form.

NEXT STEPS

MPS will compile all of the feedback received from community members. The feedback will be documented and summarized in a **What We Heard Report (WWHR)**. The **WWHR** will be posted on the Summer Village's website for your review and shared with the Summer Village and the County.

The **WWHR** will help guide the Summer Village and the County to determine if/where revisions to the draft IDP should be made.

PROJECT TIMELINE

CONTACT US

Please contact **Allison Rosland** at Municipal Planning Services with your feedback, questions, and comments.
